MEMORANDUM FOR: The Record

DATE: 27 September 1957

SUBJECT : Information Regarding Counter Audio Defense

1. [ ] visited the undersigned this morning and asked for assistance in the preparation of a paper to be submitted to the NSC as this office contribution in the study of counter audio defense against the United States.

2. In general terms he wanted terminology and ideas of the threat and counter devices. This would be eventually compiled and submitted as an intelligence requirement to field stations.

3. The paper was discussed for approximately an hour and a half at which time [ ] left for another appointment. He indicated he would contact us again in the near future.
